

# MISSIONS

In May of 2017, The Calling raised financial support for the Camp Connect programs of Covenant Care

through their performance of "Coming Home", an original story of hope in the midst of loss. Camp Connect provides counseling to children that have experienced the loss of a loved one through day camps across NWFL. The goals of

Camp Connect are to give children the tools needed to understand their grief and cope with their feelings, while also making connections with other children in similar situations. The Calling raised \$750 to support the summer programs of their 2017 season!

## **Brett and Morgan Gordon with New Tribe Missions Serving In: United States**

Of the world's 6,500 people groups, 2,500 are still unreached. New Tribes Mission helps local churches train, coordinate and send missionaries to these tribes. Missionaries serving in the USA play vital roles on the church planting team such as training, accounting for and transferring gifts, recruiting missionaries and informing and involving churches and individuals. Like those who serve overseas, USA missionaries are not salaried, but look to God to provide through His people. The Calling raised \$500 for New Tribe Missions through their Inaugural performance in June 2013. <http://usa.ntm.org>

## **Caroline Poppell serving in Haiti**

In March 2014, The Calling raised \$1500 for Caroline Poppell, full time missionary in Haiti, to help found Milk Carton on a String. The mission statement is to influence and empower generations of world changers by creating safe environments where one is set free to dream, explore, and create; as we use innovation to breakdown the barriers that divide the world from knowing Jesus. <http://www.milkcartononastring.com/>
