Good Friday Performance (select members of The Calling Senior Company)

PARENTS - PLEASE READ regarding May 9 and May 16:

When Scheduling rehearsals, we do our best to condense the time your child is called. However, due to dancers taking multiple classes on multiple days, it is possible your dancer will be called on both of the following Saturdays instead of just one OR be called for an extended time where they have a break in between running their pieces. You are more than welcome to drop off your dancer and come back to pick them up on these days. When they are waiting to dance they will WATCH rehearsal in Studio 2, which is actually a really exciting experience for younger dancers to see the PrePro level and what they have to look forward to in their dance training. Please send a water bottle with them and snacks (or lunch if staying for more than 1.5 hrs) that is easy to clean up and NUT FREE. All drinks must have screw on tops.

Please read through BOTH days carefully.
